

WYO CONCERTO COMPETITION APPLICATION 2007-2008

1. Interested WYO students are invited to submit the attached application by Monday, December 3, 2007.
2. The work selected by each applicant must be approved by Dr. Feldman. Remember that your work does not have to include "Concerto" as part of the title. For instance, *Introduction and Rondo Capriccioso for Violin and Orchestra* by Saint-Saens or the *Rhapsody for Clarinet and Orchestra* by Debussy would be acceptable.
3. All selected applicants will perform their work from memory with piano accompaniment as part of a public performance on Saturday, February 9, 2008. A panel of judges will be present at the concert and award 1st, 2nd, and 3rd place the same evening after a break. The judges will also announce who will perform with the WYO on the spring concert, assuming that one or more of the finalists demonstrate a level of musicianship and maturity necessary to perform a solo with an orchestra.
4. Each participant is required to own an original copy of their selected piece and provide three photocopies of their solo part two weeks prior to the competition date.
