

Williamsburg Youth Orchestras Student Ambassador Application

Williamsburg Youth Orchestras Student Ambassador (WSA) program provides volunteer opportunities for dedicated and responsible high school members who have completed at least one season of WYO. The participants will work with WYO staff and board members to expand community awareness and to assist with student functions.

WYO Student Ambassadors (WSA) may engage in activities such as Welcome Event, Community Outreach, Concert Assistance, WYO Social and more.

WSA will be expected to represent WYO by maintaining a positive image in person and digitally. WSA meetings usually take place 15 minutes prior to the Symphony rehearsal at Berkeley Middle School, and participants are expected to try their best to attend all meetings.

If you are interested in applying to become a WSA, please complete all sections of the attached application and submit it to the Executive Director by the deadline.

If you have any questions about the program, please contact Okie An, Vice-President of WYO board, at wyouthorchestra@gmail.com.
